The Mockingbird Society

Building a world-class foster care system

The Mockingbird Society's Homeless Youth Initiative

- A pilot program created to elevate youth voice and strengthen advocacy efforts around youth homelessness
 - Launched in May 2013, based in King County
- Meant to engage, train, and support YYA, ages 13 - 24, to provide their insight, wisdom, and experience in addressing systemic problems and solutions within the homeless youth system at the local, county, state, and federal levels.
 - Funded independently of the King County Youth & Young Adult plan
- HYI YYAs in Seattle, East King County, and South King County have been meeting twice a month to discuss sharing their stories in order to effectively advocate for a better homeless youth system.
- Each of today's participants have learned about The Homeless YYA Initiative and prepared their unique input in advance in order to participate in today's discussion
